

I Ran For My Life

A A/G A/F# A/E
I was found in a hole where I went for the night
A A/G A/F# A/E
I was thrown to the floor and shown to the light

D
I was born down with questions I could not understand
A A/G A/F# A/E
Until a man in the crowd said son give me your hand

E
He took me in chains and put me on stage
A A/G A/F# A/E
Until men in white coats came with their cage

Chorus

C G D
I ran for my life
C G D
I ran for my life

A A/G A/F# A/E
And when I came to I was lying on the floor
A A/G A/F# A/E
A window was open and there was blood on the floor

D
A strange sound was coming from high in the air
A A/G A/F# A/E
And footsteps were walking down a back stair

E
I staggered to stand and slowly made my way
A A/G A/F# A/E
Out of the door and into the day

Chorus

A A/G A/F# A/E
Among the crowd I heard someone speak
A A/G A/F# A/E
I walked to the sound feeling hungry and weak

D
The clouds parted and the sun shone out strong
A A/G A/F# A/E
As the voice finally found me and carried me along

E
I wept as you spoke and bent to my knees
A A/G A/F# A/E
You comforted and told me to do as I please

Chorus
